CONFERENCE LOCATION

CEES 2025 will take place at the Polytechnic University of Bari, Italy. The city of Bari, Puglia's provincial capital, is bathed by the Adriatic Sea, and is one of the finest destinations in southern Italy. It is located in the sun-drenched, picturesque, coastal gem of the Apulia region (or Puglia, as it is known to the locals).

ABOUT ITECONS

Itecons - Institute for Research and Technological Development for Construction, Energy, Environment and Sustainability - is a non-profit organization grounded in the campus of the Faculty of Sciences and Technology of the University of Coimbra established in 2006 to act as a dynamic interface of technology, knowledge and know-how between the scientific community and the industry. We provide applied research, testing, consultancy and training services in the fields of construction, energy, environment and sustainability.
